Re: US Patent Application No. 09/752,704; Attorney's docket No. 1387.006USU

Dear Mrs. Person:

Once again, as I did on November 16, 2004, I am advising you that the first name of the first inventor for this application is JIM (i.e., his name is Jim A. Nolen)

Please see that this application issues as a patent quickly, since the Issue Fee was paid in April 2004.

Regards,

George W. Rauchfuss, Jr.
